

The U.S. Bank ReliaCard®

The U.S. Bank ReliaCard is distributed to valid recipients of unemployment benefits as determined by State agencies. If you received a card in error, we have implemented a process to notify U.S. Bank for card closure. If you have not already done so, we encourage you to contact the State that paid the unemployment benefits to inform them your information was used without permission to file for unemployment benefits.

Please email the completed form to ReliaCardFIU@usbank.com* to notify U.S. Bank of potential fraud for card closure if:

- You received a new U.S. Bank ReliaCard in the mail but are not eligible for unemployment benefits.
- You received an unemployment benefits payment in your name (or someone else's name) to an existing U.S. Bank ReliaCard and you did NOT file for unemployment benefits with your State this year.
- You believe you are a victim of identity theft related to unemployment benefits.

*Please note this inbox is to report fraudulent unemployment benefit cards to U.S. Bank for card closure. For all other inquiries, please login to your cardholder account through usbankreliacard.com or the U.S. Bank ReliaCard Mobile App.

Any information, such as phone number and email address, provided to U.S. Bank on this form will be used for purposes of fraud investigation only.

You may also consider placing a fraud alert in your name with one of the consumer credit bureaus. It is free to place and remove the alerts. **You only need to contact one bureau to place a fraud alert.** Here's the contact information for the three largest credit bureaus:

- **Equifax:** 800.525.6285 or equifax.com
- **Experian:** 888.397.3742 or experian.com
- **TransUnion:** 800.680.7289 or transunion.com
